Copies of the Agenda and reports for these meetings can be viewed from five days before the meeting on the DWFRS website: <https://www.dwfire.org.uk/>. Copies are also available at the meeting itself. The main purpose of the committee is to reduce community and firefighter risks associated with prevention and response as set out in the [Community Safety Plan](#) and to make any recommendations to the Fire & Rescue Authority.

QR Code Scanning this code enables members of the public to easily access all of the meeting papers on their own electronic device. Please hold your device's camera or QR code App over the QR Code so that it is clearly visible within your screen, and you will be redirected to the agenda pack.

Public attendance - Members of the public are welcome to attend in person at any of the above locations and can assist the Service by submitting questions about fire & rescue prevention and response in their area. Please contact Democratic Services for details.

Recording and broadcasting notification - The Fire and Rescue Authority may record this meeting and this recording may be broadcast live or subsequently on their website. At the start of the meeting the Chair will confirm if all or part of the meeting is being recorded. The images and sound recordings may also be used for training purposes within the Authority.

Members of the public should also be aware that the meeting may also be recorded by the press or others. By entering the meeting room you are consenting to being recorded and to the use of those images and recordings for broadcast and/or training purposes.

Disabled access - Disabled access is normally available, but please contact the Democratic Services team to confirm.
